Korsor Golf Club

Kent Invitational May 19-23 2010

All change! We are taking a year off from Kent and heading about 100km WSW, the golf for 2010 will take place in West Sussex, Surrey and Hampshire. There are not only 3 new courses then but also a new hotel, the Old Thorns Manor Hotel in Hampshire which is about 50 minutes from Gatwick (about the same as The Black Horse Inn). Journey times to the courses should be a lot quicker than in previous years and the round on the Saturday is played on the course at the hotel.

The Golf

Thursday 20 May – Tee-off 10:00
The Hindhead Golf Club
Hindhead Surrey

Travel time from hotel: 10 minutes

Probably the most beautiful front 9 holes in golf. Playing through an ice-age valley, the front 9 at Hindhead is spectacular.

Friday 21 May – Tee-off 13:00
‘Golf at Goodwood’ – The Downs Course
Goodwood – West Sussex

Travelling time from hotel: 35 minutes

This day is more than just about the golf; it should be a whole luxury experience. Similar in places to the East Sussex National, The Downs course at Goodwood is within the Goodwood House estate, the family house of Earl of March one of England’s oldest aristocratic families. Whilst this is not the highest ranked golf course you have played on (it is 54th) you have never played on anywhere more exclusive or established. The club house makes the East Sussex National and The London Club look like Spor 12 in Korsor.
